STATE OF MICHIGAN
DEPARTMENT OF EDUCATION
LANSING

MICHAEL P. FLANAGAN
SUPERINTENDENT OF
PUBLIC INSTRUCTION

April 21, 2011

MEMORANDUM

TO: Local and Intermediate School District Superintendents and Public
School Academy Directors

FROM: Mike Flanagan, Superintendent of Public Instruction 

SUBJECT: Qualified Zone Academy Bond (QZAB) Program

The Michigan Department of Education is pleased to announce the availability of a bond program that may benefit eligible local and intermediate school districts as well as public school academies. The Qualified Zone Academy Bond (QZAB) Program is a federal program to help strengthen schools serving large concentrations of low-income families. Eligible local and intermediate school districts and public school academies can take advantage of this program to finance equipping and/or renovating of school facilities through the allocation of tax credits or payment by the federal government of most or all of the interest on the QZAB. **\$13,987,000** of QZAB financing will be issued during calendar year 2011.

Created by the Taxpayer Relief Act of 1997, QZABs are obligations issued by state or local governments to renovate and improve certain eligible public schools. The QZAB is a loan that must be repaid within a specified time. The tax credit rate and the maximum term of the bond are determined by the United States Treasury Department. The tax credit mechanism reduces or eliminates the cost of interest only, not the bond principal. These obligations may be used on behalf of schools or programs that meet eligibility criteria:

- The school is located in an empowerment zone or an enterprise community, or has at least 35 percent of its students eligible for free or reduced-cost lunches under the National School Lunch Act.
- An eligible school must have an education program designed in cooperation with business and receive a private business contribution that is not less than 10 percent of the proceeds of the bond.
- An eligible school must have an education plan that is approved by its school district, and its students must be subject to the same standards and assessments as other students in the district.
- An eligible school must spend 100 percent of its QZAB allocation within three years.

STATE BOARD OF EDUCATION

JOHN C. AUSTIN – PRESIDENT • CASANDRA E. ULBRICH – VICE PRESIDENT
NANCY DANHOF – SECRETARY • MARIANNE YARED MCGUIRE – TREASURER
RICHARD ZEILE – NASBE DELEGATE • KATHLEEN N. STRAUS
DANIEL VARNER • EILEEN LAPPIN WEISER

608 WEST ALLEGAN STREET • P.O. BOX 30008 • LANSING, MICHIGAN 48909

- Additionally, allocation caps of \$2 million for each building and \$5 million for the district will be applied. The allocations will be distributed on a "first come, first served" basis. If funds remain at the Department after nine months of the announcement of available allocations, districts may request a waiver to exceed the \$2 million building cap, the \$5 million district cap, or both.

For more information about the federal QZAB Program, visit:
